

About Us

Founded in 2013, NANHATT is a world leading digital asset trading platform. NANHATT currently provides fiat trading with major digital assets, including Bitcoin, Bitcoin Cash, Ethereum, Ethereum Classic, and Litecoin. NANHATT has recently expanded the United States and is looking to serve more users around the world in the future.

Our Mission

We believe that bitcoin and blockchain will eliminate trade barriers, improve transaction efficiency, and drastically transform our global financial system. We want to bring the most secure and reliable digital trading platform to our customers while complying with the highest cybersecurity and regulatory standards in the US and the world.

Customer First

At NANHATT, we value our customers. With a team of highly trained specialists available 24/7 for customer support, we are ready to assist you with any problems you may come across while trading on our platform. We pride ourselves with excellent customer service and transparency. You will be trading your digital assets on one of the most secure and reliable platforms available.
